Change to Tournament Rule 2.6

Information

ITHF wants to attract many players and clubs to the World Club Championship (WCC) and at the same time avoid that new teams with several top players from different clubs are being formed only for one specific tournament.

Therefore, ITHF proposes small corrections of the Tournament Rule 2.6:

1. Paragraph 2.6 iii) of the Tournament Rules shall be stated in a new edition:

*iii) When establishing a completely new club, only players from **three clubs (however top 50-players or former top-10 players from a maximum of two clubs)** can change to this club in the same transfer window.*

2. Paragraph 2.6 iv) of the Tournament Rules shall be stated in a new edition:

*iv) **In the same transfer window, players from a maximum of three clubs can change to the same club, however top-50 and former top-10 players from a maximum of two clubs.***

3. Add Tournament Rule 2.6 with paragraph vi):

*vi) **New clubs should be registered with club name and name of players not later than the last day of the transfer window before the World Club Championship.***
